 Co-funded by  
the European Union

# eYOUAca: Innovative e-learning academy for young leaders in grassroots sport management

eYOUAca is an innovative e-learning academy, promoted by CSIT and co-funded by Erasmus+ program, for **young people between 18 and 30 years** old aimed at empowering them with the skills essential for effective grassroots sports management.

eYOUAca is an educational program, based on 2 fundamental pillars: **Intergenerational Dialogue** and **Learning by Doing**.

## e-Learning Modules

### Taught by experts

The e-learning program consists of seven modules created by experts to cover important areas of grassroots sports management:

- Grassroots Sport Movement and Sport Event Organization
- Leadership
- Communication skills
- Business Management & Business Plan
- Financial Management
- Project Design
- How to manage a sports event addressed to children

## Project Consortium:

### Coordination:

CSIT - International Workers & Amateurs in Sports Confederation

### Project partners:

#### 5 national grassroots sport organizations:

- AICS (Italy)
- TUL (Finland)
- UCEC (Spain)
- KALEV (Estonia)
- Health Life Academy (Croatia)

**An organization for sport innovation:** European Platform for Sport Innovation - EPSI (Belgium)

**An organization providing certifications for educational services:** EurEthics ETSIA (Belgium)

**A cultural non-profit organization:** Carlo Collodi Foundation (Italy)

## eYOUAca Internship

eYOUAca program enables students to get an internship opportunity in the grassroots sports environment of their organizations

## Why studying with eYOUAca?

### Added value for young people

eYOUAca gives an opportunity to get a title of Instructor Junior Coach and become a Young Leader in grassroots sport organizations. Moreover, it helps you build a network within the grassroots sport movement.

### Benefits for grassroots sport organizations

New educational tools will help increase the professional skills of young people and will get a possibility to engage them in their organizations later on as future leaders.
